## COLOMA PUMP STATION REPLACEMENT PROJECT NOTICE INVITING CONSTRUCTION BIDS

The Sausalito-Marín City Sanitary District, California hereby invites bids for the project, in accordance with California Public Contract Code and other applicable law, and the following Paragraphs:

**BID OPENING NOTICE IS HEREBY GIVEN** that the Sausalito-Marín City Sanitary District, (hereafter referred to as "District" or "Owner"), invites and will receive sealed Bids at the District's Main Office parking lot located at 1 East Road, Sausalito, California 94965, until **2:00 p.m., on October 22, 2020**. Due to the complexity and scope of this critically important project, the District requires minimum prior related successful project experience for General Contractors, General Contractor's Project Manager and Electrical Subcontractors seeking to bid the Project.

In accordance with Drawings and Specifications prepared by Carollo Engineers, the Work includes furnishing of all labor, materials, tax, equipment, incidentals and services for the construction and completion of the Coloma Pump Station Replacement Project ("Project"). The Work includes but is not limited to; 1) demolition of the existing Whiskey Springs pump station including an underground pump station controls building and wet well, 2) demolition of the existing Scotties pump station including an underground wet well, 3) construction of new PG&E facilities, 4) trenching and construction in Coloma Street and Bridgeway, 5) construction of a new combined pump station, 6) installation of an emergency backup generator, 7) providing continuous temporary pumping for both pump stations throughout construction, and additional work as needed to construct a complete and operational project as specified in these Contract Documents. The estimated cost for this work is: **\$5 Million Dollars**. The Contract Time for the completion of all the Work of the Project is **400 (Four Hundred)** calendar Days.

A full set of Contract Documents is available at various Bay Area Builders Exchanges. Complete electronic sets of Contract Documents and related Supplemental Project Information is available free of charge on the District's website at <http://www.smcsd.net> or by contacting the District at 415-332-0244. All bidders must obtain a complete electronic bid set and verify receipt of all addenda in order to be considered responsive. Bidders shall develop and submit Bids at their own expense. The District will not reimburse any costs associated with the development and submittal of any and all Bids.

**MANDATORY PRE-BID VIDEO, MANDATORY SELF-GUIDED SITE INSPECTION AND OPTIONAL VIRTUAL ON-LINE MEETING.** Due to NOVEL CORONAVIRUS (COVID-19) safety concerns, there will be no in-person pre-bid meeting for this Project. A pre-bid video will be posted electronically at <http://www.smcsd.net> on October 1, 2020. The District and their consultants will present the scope of work, work constraints, and bid submission requirements during this video. Prospective Bidders and Sub-Bidders can access the pre-bid video at their convenience by logging on to <http://www.smcsd.net> after they are made available by the District. It is mandatory that all Bidders watch this entire pre-bid video before submitting a Bid for this Project. Bidders must acknowledge meeting this mandatory requirement where indicated in Section 00400, Bid Form. All Bidders must conduct a self-guided Project walk-through of all worksite locations. Bidders must include a signed statement of compliance for this requirement with their Bid submission or their Bid will be deemed non-responsive. A verification sheet is included at the end of this Section 00100.

Where the District considers it necessary in response to questions raised during the Bid Period, District will post Addenda electronically at <http://www.smcsd.net> on October 15, 2020. Oral statements not confirmed by Addenda may not be relied upon and are not binding or legally effective. Bidders must acknowledge receipt of all Addenda where indicated in Section 00400, Bid Form. If a Bidder fails to acknowledge Addenda on their Bid Form their Bid may be deemed non-responsive. Each Bid must also be accompanied by security in the form of a Bidder's Bond issued by a corporate surety, a certified check, or cashier's check payable to the District, or cash for an amount not less than ten percent (10%) of the Total Bid Price. Inquiries regarding further information about the Project may be directed to Kevin Rahman, P.E, District Engineer at [kevin@smcsd.net](mailto:kevin@smcsd.net).

Bidders and their proposed subcontractors shall hold such licenses as may be required by the laws of the State of California for the performance of the work specified in the Contract Documents. Bidders bidding as the prime Contractor shall possess a valid California Contractor's General Engineering License "A" at the time of contract award and throughout the contract term. The Contractor will also be required to ensure that all subcontractors working on this project are holding valid licenses suitable for their trade. This Project is subject to the general prevailing rate of per diem wages as determined by the State of California Director of Industrial Relations (DIR), and travel and subsistence pay as such are defined in applicable collective bargaining agreements filed in accordance with Section 1773.8 of said Labor Code, for work needed and performed on this Project. Said determinations, in effect at the time of publishing this notice, are on file at the above identified District office and may be examined at said office; copies of the prevailing wage rates are available to any interested party on the internet at <http://www centralsan.org>. These rate determinations may also be found on the DIR's website at <http://www.dir.ca.gov/OPRL/dprevwagedetermination.htm>.
