MAIN PLANT ELECTRICAL SYSTEM IMPROVEMENTS PROJECT

Addendum No. 2

The following shall modify the Contract Documents. The work shall be accomplished in accordance with such modifications. It is required that this addendum be attached to the Specifications.

IMPORTANT: Receipt of this Addendum must be acknowledged in the space provided on the Bid form when your bid is submitted. Failure to acknowledge receipt of this addendum may constitute grounds for rejection of the bid.

Addendum Items:

Item 2.1: Mandatory Minimum Experience Requirements

A. Revise Section 400, Attachment A, Paragraph B as follows:

For the District to consider the Bidder a responsible Bidder for this specific procurement, given the complexity and importance of the timely and successful completion of the Project to further interests of the District and its residents, the Bidder must provide all information required below demonstrating that it has performed at least **\$6 Million** ~~\$10 Million~~ in construction volume on no more than **six (6)** projects completed over the past 8 years on one or more of the following types of projects:

1. Industrial and/or Municipal Sewage Pumping Stations and/or Water and/or Wastewater Treatment Plants where the structural, mechanical, electrical, and instrumentation systems were part of the Contractor's contract.

The Bidder can include project(s) currently under construction, but only the total amount paid by the Owner(s) to date on uncompleted project(s) can be included in this summation of construction volume. The Bidder is allowed to list up to a maximum of six (6) projects of the types listed above, that combined, will add up to at least **\$6 Million** ~~\$10 Million~~ in completed volume of work. Any projects listed below which are not as defined above will not be considered by the District in meeting this pre-requisite experience requirement. **For example, pipeline projects are not considered a sewage pump station or treatment plant.**

B. Revise Section 400, Attachment B, Paragraph B as follows:

For the District to consider the Bidder a responsible Bidder for this specific procurement, given the complexity and importance of the timely and successful completion of the Project to further interests of the District and its residents, the Bidder must list an Electrical Subcontractor on Attachment D of the Bid Form that is properly experienced in work of similar nature to this project. To demonstrate such required experience, the Electrical Subcontractor must provide all information required below demonstrating that the Electrical Subcontractor has performed at least **\$6 Million** ~~\$8 Million~~ in electrical and instrumentation construction volume on no more than **six (6)** projects completed **over the past 10 years** ~~since January 1, 2010~~ of the following types of projects where the Electrical Subcontractor completed all electrical and instrumentation portions of the project:

1. Industrial and/or Municipal Sewage Pumping Stations and/or Water and/or Wastewater Treatment Plants

The Electrical Subcontractor can include project(s) currently under construction, but only the total amount paid by the Owner(s) ~~as of July 1, 2020~~ on uncompleted project(s) can be included in this summation of construction volume. The Bidder is allowed to list up to a maximum of six (6) projects of the types listed above, that combined, will add up to at least **\$6 Million** ~~\$8 Million~~ in completed volume of work. Any projects listed below which are not as defined above will not be considered by the District in meeting this mandatory minimum experience requirement. **For example, pipeline projects are not considered a sewage pump station or treatment plant.**

This Addendum No. 2 shall become part of the Contract and all provisions of the Contract shall apply thereto.
