The MOU is entered into pursuant to the Meyer-Milias-Brown Act (Government Code Section 3500-3510). The District recognizes the Operating Engineers Union, Local 3 as the exclusive bargaining representative for the General Unit. This agreement disbands the OE3 Professional/Supervisory Unit and moves all non-supervisory classifications into the general unit with existing ranges adjusted according to the terms of this agreement.

ARTICLE 2 – GENERAL PROVISIONS

- 2.1 **Term of Agreement:** Three (3) year term of agreement. July 1, 2024 through June 30, 2027.
- 2.2 **Duration:** This MOU shall be effective upon Board of Directors adoption, except for those provisions of the Memorandum of Understanding which have been assigned other effective dates as herein above set forth and shall remain in full force and effect to and including the thirty (30th) day of June 2027 and shall continue thereafter from year to year unless at least one hundred twenty (120), days prior to the first (1st) day of July 2027, or prior to the first (1st) day of July of any subsequent year, either party shall file written notice with the other of its desire to amend, modify, or terminate this Memorandum of Understanding.
- 2.3 **Employer-Employee Rights:** Employees of the District shall have the right to form, join and participate in activities of the employee organization of their own choosing for the purpose of representation on all matters of employer-employee relations. Employees of the District also have the right to refuse to join or participate in the activities of the employee organization and shall have the right to represent themselves individually in their employment relations with the District. No employee or their representative shall be interfered with intimidated, restrained, coerced or discriminated against by the District or by any employee organization because of his/her exercise of these rights.

2.4 Union Security

- A. Notice of Recognized Union. When a person is hired into a classification represented by Operating Engineers Union Local #3, Sausalito-Marín City Sanitary District shall notify such person(s) that Operating Engineers Union Local #3 is the exclusive recognized bargaining agent for the employees in said representation and provide such person(s) with enrollment materials supplied by the Union for the sole purpose of joining the Union and effecting payroll dues deductions. Sausalito-Marín City Sanitary District will give a written notice to the Union containing the names and addresses of all newly employed within in the representative unit within thirty days from the beginning of their employment.
- B. Maintenance of Membership. Employees in the represented unit will become members of Operating Engineers, Local 3 upon the date the Memorandum of Understanding is executed or who become members of the Union during the term of this Memorandum of Understanding except that such employees may withdraw from the Union Membership during the month of July of any year. Employees desiring to revoke his/her membership from Operating Engineers, Local 3 shall forward a written request to the Sausalito-Marín City Sanitary District General Manager and a letter to the Public Employees Division Director. To be considered, the letter shall be received by the Director of Public Employees Division of the Operating Engineers, Local 3 within the month of July of any year.

Upon resignation or retirement of an employee, the employee will be paid a lump sum for all floating holiday leave earned but not used on a pro rata basis; or if floating holiday usage has exceeded that earned, an equivalent value of the excess usage will be deducted from the employee's last paycheck. Employees necessary to maintain public safety or emergency services shall be required to work on holidays.

When a holiday falls on Sunday, the following Monday shall be observed as the holiday. When a holiday falls on a Saturday, the previous Friday shall be observed as the holiday. The holiday schedule shall be determined by the Operations Superintendent or General Manager with due regard for the wishes of the employee and particular regard for the needs of the District. Paid holidays shall be granted only to probationary and regular employees. Part time employees shall not be entitled to paid holidays.

ARTICLE 5 – LEAVE OF ABSENCE

5.1 Vacation:

All full-time, probationary and regular employees shall accrue vacation credits at the rate of 5/6 working days per month (10 working days per year), determined from the date of initial employment with the District. After completion of the third year of employment, vacation credits will be earned at a rate of one and one-quarter (1-1/4) working days per month (15 working days per year). After completion of the tenth year of employment, vacation credits will be earned at a rate of one and two thirds (1- 2/3) working days per month (20 working days per year). After completion of the twentieth year of employment, vacation credits will be earned at a rate of two and one twelfth (2-1/12) working days per month (25 working days per year). After completion of the thirtieth year of employment, vacation credits will be earned at a rate of two and one half (2-1/2) working days per month (30 working days per year).

Only probationary and regular employees shall be entitled to accrue vacation leave. Part-time employees shall not be entitled to accrue vacation leave.

An employee shall be initially required to work six months in order to be eligible to use accrued annual vacation leave. Employees terminating before six months of service will receive vacation pay on a pro rata basis.

It is the policy of the District that employees take their vacation each year; provided, however, that for reasons deemed sufficient by the General Manager, an employee may take less than the accrued vacation one year, with a corresponding longer vacation the following year. In the event an employee is not able to take all of the vacation to which s/he is entitled in a calendar year, s/he may accumulate vacation and carry it over into the next year up to a maximum of one previous year's vacation as of June 30th of any year. If an employee's vacation has been deferred due to requirements of the District service, the

General Manager may exercise his or her discretion to approve an increase in the maximum amount of vacation that the employee may accumulate.

The times during which an employee may take vacations shall be approved by the General Manager and scheduled by April 30th of each year with preference for vacation time given according to seniority; provided that if the requirements of the District service are such that part or all of an employee's vacation must be deferred beyond a particular calendar year, the employee may take the vacation during the following calendar year. The vacation scheduling shall be at the discretion of the Operations Superintendent or General Manager. Review of requests will be made with due regard for the wishes of the Employee and particular regard for District needs. Vacation and personal leave shall be prioritized, based on seniority. Once the schedule is set, it can only be changed by the mutual agreement of all involved parties and at the discretion of the Operations Superintendent or General Manager.

Once an employee reaches his or her maximum accumulation, no more vacation will be earned until an equal amount of accumulated vacation is used.

A holiday that occurs or a sick leave day that is used during an employee's vacation shall not be charged as vacation.

Upon the termination of an employee's service with the District, s/he shall either be granted time off or be paid a lump sum for all authorized accrued vacation that s/he has earned, provided that the employee has been in the service of the District for more than six months.

5.2 Vacation Sellback: Employees are allowed a maximum sellback equal to the number of vacation days taken in the previous or current fiscal year up to a maximum of ten (10) days in any fiscal year.

5.3 Sick Leave: Every person who has been employed by the District continuously for six months and receives a regular appointment shall be entitled to receive one working day of sick leave with pay for each full calendar month of regular full-time employment. Employees shall accrue sick leave credit dating back to their first day of employment.

Sick leave may be taken for:

- A. An employee's illness or injury. Satisfactory proof of the necessity for sick leave shall be furnished when requested, in the form of a doctor's certificate, certifying that the employee is unable to perform his/her regular duties. The District may, at its sole discretion and expense, require an additional certificate from a doctor selected by the District, certifying that the employee is unable to perform his/her regular duties.

- B. A non-exempt employee's dental, eye or other physical or medical examination or treatment by a licensed practitioner. Leaves for this purpose may be limited to four hours in any one working day and should be scheduled so as to minimize any interference with the employee's workday and the District's operations.
- C. Providing necessary care for an ill or injured member of the immediate family. The District may require a doctor's statement or a personal affidavit indicating that the employee's presence was required.
- D. Bereavement leave for immediate family (As defined under FMLA).
- E. There shall be no limit to accrual of unused sick leave.
- F. Upon termination of employment there will be no pay-out of unused sick leave.
- G. In the event an employee on sick leave is entitled to Workers' Compensation benefits, such benefits will be integrated with sick leave.
- H. Absences due to work-related injury or illness are covered by Workers' Compensation benefits described in the District's Personnel Rules.

Sick leave will not be allowed while on vacation unless notification of the sick leave is received at the time the sick leave is taken. Such sick leave shall be verified by an appropriate doctor's certification if so directed by the Operations Superintendent or General Manager.

5.4 Medical Disability Leave: The District shall provide Medical Disability Leave in accordance with the Family Medical Leave Act (FMLA) and the California Family Rights Act (CFRA).

5.5 Personal Leave of Absence:

At the discretion of the General Manager, personal leaves of absence may be granted. Each request will be given consideration based on individual circumstances and the impact on the operation of the District. While on personal leave, the employee will not earn vacation or sick leave, and the employee's salary step increase review date will be adjusted accordingly. However, the employee will be eligible for insurance coverage and District premium payments will be made in accordance with terms of the insurance plans, the Family Medical Leave Act (FMLA) and the California Family Rights Act (CFRA).

5.6 Military Leave:

Military leave shall be granted in accordance with applicable provisions of federal or state law. All employees entitled to military leave shall give the District an opportunity within the limits of military regulations to determine when such leave shall be taken.

An employee who is a member of an Armed Forces Reserve Unit, the National Guard or the Naval Militia, shall be granted leave of absence while engaged in military duty,

including time involved in going to and from such duty, provided such period of leave does not exceed 180 calendar days or any longer period required by law. Employees who have been employed by the District for a period of not less than one year immediately prior to the day on which the absence for such leave begins shall continue to receive their full salary for the first thirty (30) days of such leave taken for purposes of active military duty. Leave for inactive military reserve duty (i.e., monthly weekend drills) will be granted on an unpaid basis. If an employee is called for inactive duty on any days during which he or she is scheduled to work for the District, the District will make reasonable attempts to adjust the employee's work schedule so that s/he will serve the inactive duty on his or her own time. If a scheduling conflict cannot be avoided, the leave for inactive duty will be on an unpaid basis, unless the employee elects to use any available accrued vacation time.

Employees who leave their positions due to induction into the Armed Forces of the United States, shall be re-employed in accordance with the federal Vietnam Era Veterans' Readjustment Assistance Act and California Military and Veterans Code, Section 395.1. To qualify for re-employment, the District must receive a re-employment application and the former employee must resume service within the time periods required by law. Employees who leave the District's employ due to such military service, should consult the General Manager for information regarding the circumstances under which they may be re-employed.

5.7 Jury Duty or Court Witness Leave:

An employee who is required or subpoenaed to serve as a trial juror or as a witness at trial in a civil or criminal action to which s/he is not a party shall inform his/her Operations Superintendent or the General Manager. While on jury duty or serving as a witness s/he or she shall be entitled to be absent from his or her duties with the District during the period for such service or while necessarily being present in court as a result of such call. Under such circumstances, the employee shall be paid his or her full salary and the payment received by him or her for his or her services as provided by law, including travel and meal allowance for such duty.

5.8 Catastrophic Leave Program: The District shall continue its existing leave practice to address bargaining unit employee situations that warrant catastrophic leave accommodations on an as needed basis.

7.6 Medical Insurance After Retirement:

The Sausalito-Marin City Sanitary District eligible retirees will be covered by the Public Employees Retirement System (CalPERS) health care plan as specified per District policy. For employees hired before July 2004, the District will continue to provide the employee and the employees' dependents with (100%) post-employment medical insurance under the PERS medical insurance program if the employee actively retires from SMCSO employment. Once the retiree is eligible for Medicare, the District will fund the supplemental medical insurance for the retiree and the retiree's spouse. Such benefits shall be integrated with Medicare for the rest of the retiree's lifetime. Retiree and spouse are responsible for payment of their Part A Medicare premium. Survivor's eligibility for benefits is governed by PERS law.

For employees hired after July 2004, the District will continue to provide the employee's PERS medical insurance as specified by the Public Employees Medical and Hospital Care Act (PEMHCA) if the employee actively retires from the District with PERS retirement, is at least 55 year of age, has been a full-time employee and has a minimum of five (5) continuous years of qualifying SMCSO employment. As indicated in the vesting schedule, the District will pay for both the employee and eligible dependents based on the PEMHCA program vesting schedule for credited years of PERS service. An employee will be eligible to receive 50% of health care costs covered after 10 years of credited PERS service. The benefit will increase 5% per year, reaching 100% after 20 years of service.

The District contribution is prorated based on years of PERS service up to a maximum of one hundred percent (100%) of the health benefits plan premiums for employees plus ninety percent (90%) for eligible dependents. The District contribution amount is based on

the PERS health benefits plans which have the largest number of enrollments during the year to which the formula is applied, but not more than one hundred percent (100%) of employees' premium.

Once the retiree is eligible for Medicare, the District will fund the supplemental medical insurance for the retiree and the retiree's spouse. Such benefits shall be integrated with Medicare for the rest of the retiree's lifetime. Retiree and spouse are responsible for payment of their Part A Medicare premium. Survivor's eligibility for benefits are governed by PERS law.

The cost sharing arrangement is applicable to all active employees and any new employees that are "Classic" CalPERS members. The cost share arrangement excludes "New Members" as defined by the California Public Employees' Pension Reform Act (PEPRA).

Each bargaining unit employee who is not a "New Member" as defined by the California Public Employees' Pension Reform Act (PEPRA), will reimburse the District for the EPMC contribution as a 1.2 percent gross salary payroll deduction, effective FY 2014/15.

ARTICLE 8 – STANDBY

8.1 Standby Duty:

Operation and Maintenance employees may be on standby duty. Participation is voluntary, but if at any time there is no voluntary coverage, the standby duty will be rotated among operators on a weekly basis. This duty may be traded upon mutual consent of individuals involved and the approval of the Operations Superintendent Supervisor or General Manager.

The standby employee is on standby during all 'non-working hours' Monday through Friday ("weekdays"), Saturdays, Sundays ("weekend days") and holidays. The standby person may be called upon to assist personnel working alone on shift (weekend days and holidays). The use of standby is at the discretion of the General Manager or his/her designee, who will establish annual estimated schedule by December 1 of each year.

Employees on standby duty shall not be under the influence of alcohol or drugs as described in the District's Drug and Alcohol Testing and Reporting Standard Procedure, "Prohibited Conduct" section of the policy statement.

8.2 Standby Pay:

The standby employee shall carry a pager and a cellular phone and any additional equipment necessary to respond to all calls from pump stations or the plant.

Standby employees shall receive a minimum of two hours overtime compensation for every response to a call. Overtime pay is compensated at 1.5-time regular pay, therefore 2 hours minimum overtime equals 3 hours pay. The door to door time shall be used to calculate actual time for overtime if it exceeds the two-hour minimum. Employees shall have the choice to take the compensation for responses to calls as compensatory time or overtime pay.

An employee on standby during the week shall be compensated during standby at the rate of thirty dollars \$30 per day. An employee on weekend standby will be compensated during standby at the rate of sixty dollars \$60 per weekend day. An employee on holiday standby will also be compensated sixty dollars \$60 per holiday. The District reserves the right to change the standby compensation at any time at the District's sole discretion, and compensation will be reviewed at least every three years by the General Manager and operations and maintenance personnel. Employees may choose to take compensation as compensatory time at the rate of 1.5 hours per weekday and 2.25 hours per weekend day and holiday and 3.75 for weekend 24-hr. and holidays.

The standby employee will be reimbursed for personal vehicle mileage incurred as a result of responses to calls. Reimbursement will be made based on the current mileage allowance provision of the IRS. When employees use their personal vehicle, their

insurance is primary if involved in an accident and the employee is responsible for any deductible expense.

A notice at least 24 hours shall be provided to all employees for this shift change. The night shift premium/differential will be 10%. Overtime will be paid for time in excess of the hours the employee's scheduled shift. The night shift staffing shall be determined by seniority.

3. Employees will participate in a standby program. An employee on standby shall be compensated during standby at a rate established by the District.
